

Meeting Guide

Brought to you by Alcoholics Anonymous World Services, Inc., Meeting Guide is a free of charge meeting finder app for iOS and Android that provides meeting information from A.A. service entities in an easy-to-access format.

Meeting Guide syncs with area, district, intergroup/central offices and international General Service Office websites (some of which are listed on A.A. Near You), relaying meeting information from more than 300 A.A. service entities directly to you. Over 100,000 weekly meetings are currently listed, and the information is refreshed twice daily.

This app gives A.A. service entities full control of their local meeting information while collecting it in one place, making it easy for anyone to find a meeting. Local entities provide their meeting information voluntarily. Meeting Guide users can suggest additions or corrections to meeting listings by using links provided within the app to contact the local service entity responsible for the information.

New & Enhanced Features

- Search — Find A.A. meetings by name or location, in addition to day and time
- Daily Reflections — a selection of reflections by and for A.A. members
- Enhanced location functionality
- Expanded user interface, with a new menu bar and “Contact” feature.
